Note: the reviews attached to these book recommendations, are the opinions of members of NEbraskaCERT and should not be considered an official endorsement.

NEbraskaCERT recommends the following books for any one pursuing the ISC² CISSP/SSCP exams.

Title	CISSP All-In-One Exam Guide - 4th Edition
Author	Shon Harris
ISBN	0071497870
Review	Recently Revised. The release of the first edition was a milestone in preparation for the CISSP/SSCP Exams

Title	Official (ISC) 2 Guide to the CISSP CBK
Author	Harold F. Tipton, et al
ISBN	0849382319
Review	This book has excellent sample questions. Some of them being actual retired CISSP exam questions.

For the Security+ Exam NEbraskaCERT recommends the following book

Title	CompTIA Security+ Study Guide: Exam SY0-101
Author	Mike Pastore and Emmett Dulaney
ISBN	0470038217
Review	A very through comprehensive guide for the Security+ exam. Its sheer size can be intimidating

3. When/where does the class meet?

The class will be meeting at the Peter Kiewit Institute every Tuesday night 6:00pm-8:30pm beginning May 6th through August 12.

4. Who is the instructor?

Steve Nugen (CISSP) will be returning as the primary instructor this year. Additional instructors may also participate to supplement the curriculum. Steve has been an instructor at several local universities.

5. How do I register for the class?

You can download the registration form from the NEbraskaCERT web site <http://www.NEbraskaCERT.org/sp2008>

6. How much does the class cost?

The class costs \$995.00. This does not include the cost of sitting for any exam.

7. Will this help me pass the ??? Exam?

The goal of the class is to help a well rounded individual supplement their background and increase their chances of passing any of several Computer Security related exams.

8. When can I sit for the exams?

NEbraskaCERT is working with ISC² to offer the SSCP/CISSP exams at our conference. This is currently scheduled for August 21, 2008. You may also hit the ISC² website for additional exam locations.

Security+ may be taken through Prometric/VUE at any of several testing locations. Hit the CompTIA website for additional information.
